## **Paul A. Rose, Jr.**

### **TELEVISION WORK EXPERIENCE:**

#### **Senior Video Production Specialist, Lee County Sheriff's Office (2000-Present)**

Managed a team responsible for all audio and video applications for the Lee County Sheriff's Office, reporting directly to the Public Information Officer and the Chief Deputy.

- Produced and edited commercial spots for recruitment and education of citizens.
- Implemented the use of online editing computer systems and expanded duties to include Forensic Processing of Video, both analog and digital.
- Wrote, produced, video taped and edited various training and promotional videos for the various divisions of the Sheriff's Office

#### **Producer, National Media Services (1999-2000)**

Responsible for supervising and producing industrial and educational videos for a variety of clients.

- Managed **CAPE-TV**, a local municipal government access show by creating and managing programming in coordination with the City of Cape Coral's Public Information Office.
- Wrote, shot, produced and edited construction educational videos for major contractor.

#### **Promotions Producer, Paramount Pictures, Television Division (1998)**

Wrote, edited and produced promotional and commercial spots for local Paramount-owned station.

- Primary liaison between News Department and Promotions, at the News Director's request
- Worked with sales staff to provide value-added service to clients

#### **Producer, Waterman Broadcasting (1993-1998)**

Starting as a college intern and hired full-time at the completion of the internship, I learned every aspect of local television stations, by producing news shows, specialized segments, promotional spots, commercials and educational programming for Waterman Broadcastings two local TV stations.

- Spearheaded local implementation and launch of one of the first 12 local MSNBC affiliates in the United States.

- Produced two consistently Top-Rated Weekend Morning News shows.
- Transitioned from TV News to Internet (MSNBC) then to TV Promotional and commercial spots within a year.
- Produced a series of popular weekly news segments: Teens on 2, Backyard Breakfast with Jim Syoen, Jim Scrivner's Green Guarantee, Forever Young, & The A-Team Challenge.
- Produced daily news promotional spots for 2 broadcast stations.
